## Crack Dip

I found this recipe on Tracey Garvis Graves' blog – author of *On the Island*. Yummy!

2 - 8 oz. packages of Cream Cheese – room temperature

8 oz. Sharp Cheddar Cheese – grated

1 – Jar Roasted Pineapple and Habanero Dip.

*You have to get this online at Amazon. See link in BeautyBloomers where you clicked on this recipe. It's around \$11, but this dip is worth it – plus it makes a ton. I recently made a batch for ten people. They went nuts over it, but I still had half a bowl left over, so I froze it for the next party.*

Red Onion – finely diced. Only a little bit! Try  $\frac{1}{4}$  of a small onion.

*To get the dip really smooth, make sure the cream cheese and cheddar cheese are room temperature. Make it several hours earlier than you plan to serve it so the flavors blend.*

1. Dump in cream cheese in bowl and beat until smooth. Add cheddar and blend.
2. Add the Roasted Pineapple Habanero dip and red onion and blend until smooth.
3. Serve with Ritz or Townhouse crackers.
